

Justice Society of America: Thy Kingdom Come Pt. 1

The original superhero team, the Justice Society of America, are Earth's mightiest defenders, whose ranks include the Flash, Green Lantern, Power Girl, and Hawk girl! A stronger-than-ever Justice Society, bolstered by a host of young recruits including an all-new Commander Steel, are back in the field and taking on ever greater threats. But when the barely-stable Starman creates a black hole to stop a devastating explosion, an unexpected visitor steps through it - a Superman from a world where the villains are bad...but the heroes are even worse! Superstar writer Geoff Johns (52) and artist Dale Eaglesham (Villains United) continue the explosive new chapter in the annals of one of the world's greatest super-teams!
