

Counted Cross Stitch Pattern: Mallard Duck Bird by John James Audubon - PROFESSIONALLY EDITED Image (Audubon Bird Series)

Mallard Duck bird by John James Audubon is now available as a counted cross stitch pattern. Audubon lived from 1785 to 1851 so many of the prints of his great paintings are sadly dull, streaked, lifeless and even stained. So our staff graphics designer spent many, many hours working on our designs, bringing them back to life with rich, vibrant colors. We can only post one picture with our Kindle book but we sell a collection of 111 Audubon birds and we have posted Before/After images there. See for yourself how beautiful his birds are now.
