

Wonder Woman: Missions End

A tale of superheroic action and high adventure featuring DC's most famous female icon, Wonder Woman, as she faces her most personal battle yet. Wonder Woman's quest to change the world meets resistance in many forms, and when she pens a book outlining her philosophy, she ignites a firestorm of controversy. From humans out to destroy her reputation, to supervillains planning to destroy the world, and ancient gods with darker intentions still, everybody seems to lie in wait for the Amazon Princess. It will take incredible strength, courage and conviction to stand up against this multitude of threats. Fortunately, Wonder Woman has these qualities in abundance.
