

Adobe After Effects 3.1: Classroom in a Book

Classroom in a Book, the worlds best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does-hands-on training materials developed by the software training experts at Adobe Systems, and then tested and refined in Adobes own classrooms and labs. Classroom in a Book is self-paced, so you can learn Adobe After Effects wherever and whenever you choose, in whatever time you have available. Youll be up and running faster-and more efficiently-than you would with other approaches to software productivity. The files on the cross-platform CD were created specifically for Classroom in a Book. Youll use these files to work through the lessons. The books illustrations and text will guide you to the results youll see on your screen. With the Classroom in a Book approach, you learn the most effective way possible-by doing it yourself!
