

## Taken By Storm (Interracial Erotic Romance)

Syleena Webster has been hurt by her mother's free lifestyle with men, but she maintains her romantic ideas about love and marriage. She doesn't doubt her perfect man is out there. Storm Hyde, however, gave up on love a long time ago. The wealthy banker decided staying single is the way for him, so he hasn't dated the same woman longer than a few months in ages. He's totally unprepared for his reaction when his sister brings her gorgeous roommate, Syleena Webster, home for the summer. Once he gazes into her soulful brown eyes, an emotion he's never felt before hits him, and he sends Syleena running for the door. Five years later, they meet again. Will Storm be able to make Syleena understand the depth of the mistake he made?
