

The Story of Gardening (American Horticultural Society Practical Guides)

A fascinating, definitive history of garden development and design. From the earliest documented gardens of ancient Mesopotamia to the eclectic landscapes of the 21st century, *The Story of Gardening* is an engaging tale of the development and design of the garden. Brimming with glorious full-color photographs, intriguing timelines that chart the histories and fashions of individual plants, and evocative narratives, Hobhouse draws on a lifetime of work to create an enlightening overview of designers and styles that have inspired her creations and forged her gardening philosophy.
