

Chapter 2: Digital Publishing Formats and Their Capabilities (ePublishing with InDesign 2015 Book 3)

Like devices, epublication formats are numerous and varied, with differences, sometimes subtle, between them, but large divergences in purpose, capability and device support. Consequently, its most logical and productive to think of epublications in terms of format classes, with each class offering a particular combination of purpose, capability, and device support. In this chapter, you will learn about the following formats: Reflowable EPUB Fixed-Layout Kindle Formats PDF Digital Replica Interactive Magazine HTML5
