

Adobe Photoshop CC for Photographers: A professional image editors guide to the creative use of Photoshop for the Macintosh and PC

Martin Evening, Photoshop hall-of-famer and acclaimed digital imaging professional, has revamped his much-admired Photoshop for Photographers book for an eleventh edition, to include detailed instruction for all of the updates to Photoshop CC on Adobes Creative Cloud. This comprehensive guide covers all the tools and techniques serious photographers need to know when using Photoshop, from workflow guidance to core skills to advanced techniques for professional results. Using clear, succinct instruction and real world examples, this guide is the essential reference for Photoshop users of all levels. Accompanying the book is the photoshopforphotographers.com website, fully updated with new sample images, new tutorial videos, and additional bonus chapters. Its clear why so many people feel that any serious Photoshop user should not be without this invaluable reference text.
