

## Award-winning scrap quilts

Judy Florence demonstrates how rags can become riches when the imaginative eye see their potential. She shows you how to convert even an apparently worthless pile of scraps into a captivating showpiece. She begins by discussing the basics of scrap quilt design. Then to show these principles at work, she presents a variety of stunning quilts, from the simple and colorful flavors to the intricately pieced Stars and Bars. Each quilt is accompanied by a supply list; complete instructions for cutting and assembly; and actual-size patterns, easy-to-follow diagrams, a color photographs to take the worry out of planning and design.
