

## Bacchus Omnibus Edition Volume 1 (Bacchus Omnibus Ed Gn)

In Bacchus, the visionary behind *From Hell* (with Alan Moore) and *ALEC: The Years Have Pants* presents his version of an American-style comic book, filtered through his own brilliant, whimsical, and wide-ranging sensibility. With a fine blend of action, comedy, suspense, and an ear for a great story, Bacchus brings the gods and myths of ancient Greece to modern life, as if they had never left. Nearly 600-pages, this deluxe volume collects the first half of the Bacchus saga (including *Immortality Isn't Forever*, *The Gods of Business*, *Doing the Islands with Bacchus*, *The Eyeball Kid: One Man Show*, and *Earth, Water, Air & Fire*) with new notes and commentary by the author.
