

UFO: Albert Watson

One of the worlds most successful photographers, Albert Watson is known for graphic, sculptural images that capture the essence of people, places, and things. His has been a career of unparalleled productivity, ranging from fashion to iconic portraits to reportage. His first book, Cyclops, published in 1994, established him as a leading photographic talent who combined a brilliant vision with extreme technical excellence. UFO which stands for Unified Fashion Objectives presents a 40-year retrospective of Watsons best work, pulled from his vast archive. In its pages, a memorable era of style, beauty, fashion, personality, and power is captured for posterity. UFO is a landmark publishing event from one of the worlds greatest photographers.
