

Essential X-Men, Vol. 9 (Marvel Essentials)

Storm gets younger, Polaris gets stronger, Jean Grey gets tentacles, and Psylocke gets a makeover from the Mandarin as the X-Men's eighties-era adventures continue! Waves of super-villainy strike the Savage Land, Muir Isle, and the Morlock Tunnels! Heroes are dying and NOT coming back, but the X-Men have been scattered across the Earth! While Marvel's mightiest mutants try to get it together, only Wolverine remains at HQ - but it's not exactly by choice, since he's been crucified by the Reavers! Can his new sidekick Jubilee help him overcome this ordeal? Plus: Sentinel against Sentinel, invading aliens, and a surprise showdown with the Serpent Society! Featuring Ka-Zar, Magneto, Strong Guy, and more! Collects Uncanny X-Men #244-264 and Annual #13.
