Hamburg 1:25,000 Superplan & Environs 1:100,000, GPS-compatible ADAC Extra large 2-sheet (main sheet size 141 x 97 cm / 55.5 x 38.5) street plan of Greater Hamburg at scale 1:25,000 (1 inch = 0.4 mile). This is the ultimate folded street plan for Hamburg. It names all the individual streets and indicates all the main landmarks and public buildings. All public transport facilities are shown: buses, trams, underground, overland rail lines, with stations and stops plus ferry lines. One way streets and car parks are indicated. The plan also shows the administrative and postal divisions and has an extensive street index with individual post codes for each street. Included are enlargements at 1:10,000 for the city centres of Hamburg, Blankenese, Harburg and Bergedorf. On reverse is a large touring map at 1:100,000, covering a very wide area around the city. Multilingual map legend includes English. ADAC, Germany's equivalent of the AAA (or British AA) publishes an extensive series of street plans which provide detailed high-quality mapping of all the major towns and cities, including their outer suburbs.
