

Revenge of the Green Lantern

When daredevil pilot Hal Jordan discovered a crashed spacecraft, he was astonished when its occupant told him he must become a Green Lantern, one of an elite group of guardians that defend the universe forever on the brink of destruction! Mongul, the defeated alien tyrant who once destroyed Green Lanterns home has returned with one thing on his mind - revenge! Using a parasitic plant that can make the victims dreams a reality, can the power of the Lanterns ring and the stealth of Green Arrow break free from a threat that once brought Superman to his knees? Tying into the epic Infinite Crisis, superstar creative team Geoff Johns (JSA) and Carlos Pacheco (JLA/JSA) breathe new life into this classic super-hero.
