

El husar/ The Husar (Spanish Edition)

El Husar is my first novel. Written in 1983 between two war articles, at that time I had no intentions to dedicate myself to writing literature, and published almost by chance by a publishing company with which I never maintained a good relationship, it has taken me almost 20 years to recover the publication rights. Now this novel surfaces again, finally to my liking, with a suitable revision, corrected of errors and lightened of some unnecessary adverbs and adjectives. -Arturo Pérez-Reverte.

Description in Spanish: Un relato intenso y habil que hoy figura entre lo mejor del conjunto de su obra. Su historia, las experiencias militares en Andalucía, en 1808, del subteniente del ejército napoleónico Frederic Gluntz, habla de una cosa, del desarrollo de unas batallas, y se refiere a otra, al sentido de la vida y a la condición humana frente a una situación límite. Un relato de acción, pero no solo ni sobre todo. Santos Sanz Villanueva
