

The International Comparative Legal Guide to: Patents 2013 (The International Comparative Legal Guide Series)

Welcome to the third edition of The International Comparative Legal Guide to: Patents. This guide provides the international practitioner and in-house counsel with a comprehensive worldwide legal analysis of the laws and regulations of patents. It is divided into two main sections: Two general chapters. These chapters discuss the role of expert evidence in patent litigation across the world and the patent landscape of Gulf Co-operation Council countries. Country question and answer chapters. These provide a broad overview of common issues in patent laws and regulations in 29 jurisdictions. All chapters are written by leading patent lawyers and we are extremely grateful for their excellent contributions.
