

La Fille Mal Gardee

This is a new edition of a collection of essays about Sir Frederick Ashton's great classic ballet, originally published shortly after the ballet's first performances and containing material by some of those most intimately connected with the ballet's gestation, including the designer, Osbert Lancaster, the score arranger John Lanchbery and the choreographer himself. Historical perspectives are provided by Tamara Karsavina, Winifred Edwards, Lillian Moore, Marina Grut and Ivor Guest.
