

# Cairo: The Practical Guide Maps: New Revised Edition

Updated and expanded for 2008, Cairo: The Practical Guide Maps includes all the principal areas of metropolitan Cairo and Giza, including for the first time the major developing district of New Cairo. The easy-to-use format and clear, uncluttered cartographic style make finding where you want to go a pleasure. Each page overlaps with adjoining pages no more lost streets while turning the page! Indexes are provided for street names and places of interest, while symbols highlight notable landmarks and useful locations. And all this information is packed into a slim booklet of 76 pages handy enough to take anywhere.
