

Police Administration: Structures, Processes, and Behavior (9th Edition)

For courses in police organization, management, and administration. Introduction to police organization and administration illustrated with visual aids, case studies, and real-life experiences. Built on the foundation of its authors' decades of experience in law enforcement, training, and teaching, and updated to reflect recent subjects and concerns in the field of police work, this Ninth Edition of *Police Administration: Structures, Processes, and Behavior* blends a comprehensive introduction to police administration with key supporting details. Content is comprehensively illustrated with relevant, never-before-seen photographs, original tables and diagrams, cases studies, and Current Event boxes that provide thorough explanations of recent events. In this updated edition, the authors explore the evolution of American policing and modern organizational issues. This best-selling text vividly and effectively introduces students to the procedures, politics, and human relations issues that police supervisors and administrators must understand in order to succeed.
