

Renovating Old Houses

For those who know how to do the repair work, an old house can be a good investment. This book is aimed at home owners who want to renovate their houses with professional results, as well as the professional contractor who is serious about renovation. George Nash begins by offering advice on whether an old house is worth taking on or not. He tells you how to set priorities and how to handle virtually every aspect of renovation. The techniques explained include how to replace foundations, rebuild windows, install roofing and siding, repair plaster, upgrade wiring, plumbing and heating systems and much more.

But when it comes time to restore or renovate, older houses can present new challenges for homeowners who haven't braced themselves for the costs ahead. - 13 min - Uploaded by MICHAELTHEPAINTER HOW TO RENOVATE THE OLD HOUSE. 125-Year-Old House Renovation (6 months in While restoring an old house can be the most rewarding thing in the world, it can also cost a pretty penny so it's best to get it right the first time. Here is how to save money when renovating a fixer upper - an abandoned 115 year old house. Renovating on a budget, fixer upper homes, is possible!
