

Ryder on the Storm Vol. 1 (TPB)

A classic film noir, set in a Lovecraftian world, *Ryder on the Storm* follows Ryder, a private eye hired by the beautiful femme fatale Katrina Petruska to investigate the horrifically bizarre suicide of her lover, Michael Hudson. Ryders journey to solve the case and finish Hudsons work leads him to discover a truth more sinister and terrifying than he could ever have imagined- daemons walk among us. Now he must team up with the latest daemon hunter, Charles Monk, to take down the cabal of ancient evil controlling the city while struggling to reconcile the dark side of his own nature.
