

Charleston Style Then and Now

Ever since Charleston first gained a reputation as a bastion of southern living in a modern metropolitan setting, its style and grace have been clear to all visitors to this unique city. Charleston's roots go all the way back to its days as a powerful colonial port, and Charleston Past and Present represents the finest residences from the early seventeenth century to more modern times, as well as their histories. This newly formatted edition maps the city's charm through its exquisite and sometimes eccentric architecture, decorative arts, and garden designs, featuring full color photography by John Blais of nineteen southern homes and estates. With a delightful foreword by acclaimed novelist Josephine Humphreys, it is the essential coffee-table book for the thousands who visit Charleston each year.

FOREWORD When I wrote my first book about Charleston, Charleston Style: Past and Now, as then, people are drawn from afar to the city's rarified grace and Charleston Style, Then and Now has 2 ratings and 1 review.
