

Superman: The Secrets of the Fortress of Solitude (Superman (DC Comics))

BEHOLD THE SECRETS OF THE FORTRESS OF SOLITUDE! Where does the most powerful being on Earth go to get away from it all? Batman may have his Batcave, and Superman has his Fortress of Solitude! But the remote hideaway is more than just a retreat for the Man of Steel. It also serves as a trophy room, an armory, and even a menagerie. Most important, the fortress contains Supermans few Kryptonian relics. These stories reveal hidden aspects of the Man of Tomorrows past and feature stories written by Superman co-creator Jerry Siegel, Jerry Coleman, Roy Thomas, Jerry Ordway, George Perez, Roger Stern (author of The Death and Life of Superman), Mark Schultz, Geoff Johns, and Richard Donner (director of Superman: The Motion Picture); and illustrated by John Sikela, Wayne Boring, Ross Andru, Jerry Ordway, Mike Mignola, Curt Swan, Doug Manke, and Phil Jimenez.
