

Helsing #3

Double sized issue originally released as the one shot but acts as issue #3 in the Helsing series. All the terrible secrets are revealed and Samantha Helsing's life is changed forever. She realizes that she is part of a legacy she wanted no part of but has no choice and now must decide which side she is on and which is the greater evil. The Tophet are uncovered and Samantha finds her real father and now understands the fate of her mother. A chronicle of another of the Helsing's is presented as a back story, this one set during the second World War.

No. You have one health potion and one mana potion that have unlimited uses and cooldown. Katarina also has a health potion with unlimited I am confused on the level cap. I have the first and second and I know that 1 has a cap of 30 and 2 starts at 30 or your carryover starts at 30 with - 19 min - Uploaded by Kenny ReduxVan Helsing PC Gameplay FullHD 1080p #3 - How to manage your inventory. Kenny Redux Ok so i just bought the game like 2 days ago from the steam sale.
