

The Mountains of California (Penguin Classics)

A stirring tribute to one of America's most remote and beautiful places by one of the first modern preservationists. This Penguin Classic—Muir's first book—puts a pioneering conservationist's passion for nature in high relief. With a poet's sensitivity and a naturalist's eye, Muir celebrates the Sierra Nevada, which he dedicated his life to saving, and recounts his breathtaking visits to Yosemite Valley, Kings Canyon, Sequoia Groves, and Mount Whitney. *The Mountains of California* is an affecting celebration of raw nature by one of its most ardent defenders.

By John Muir. While John Muir traveled to California in 1868, he came upon the pristine mountain levels that will encourage his life's paintings. - 16 sec READ *The Mountains of California* (Penguin Classics) FULL ONLINE GET LINK [http](http://www.amazon.in) - Buy *The Mountains of California* (Penguin Classics) book online at best prices in India on Amazon.in.
