

The Prince and the Pauper: The Graphic Novel (Campfire Graphic Novels)

A chance meeting between a member of the royal family and a street urchin triggers a course of events that form the basis of this enthralling story. Tom, the pauper; and Edward, the prince, discover that not only do they share the same birthday, but they also look identical. Being the boys that they are, they decide to have some fun and exchange clothes. However, little do they know that this will land them up in the most bizarre of situations. Inadvertently, the boys end up swapping places with each other - Tom becomes the prince; and Edward, the pauper. No one believes them when they try to explain their true identities, so they are forced to adapt to their new lifestyles, with very interesting consequences.
