

Mom, I Just Dont Fit In: The Story of Alex: Whys its OK to Be Different

Mom, I Just Dont Fit In - The story of Alex: Whys its OK to be different is a book written from the heart. The book chronicles the story of Alex, a 12-year-old boy who has always felt like he didnt fit in. The book highlights Alexs struggles to find himself in a world filled with extroverts. Alex is a gifted child who struggles with many things from social anxiety to his weight to his insecurities about himself. Diagnosed as developmentally delayed at the age of 2 because of a hearing disorder, Alex has struggled to fit in his whole life. This amazing little story will warm your heart as you follow Alex and learn of his desire to be an engineer who works for the Department of Transportation. This is a story that will help people understand that everyone has a gift to share with the world, no matter how different they happen to be. The story shows how love and support can help someone realize that they are unique, important and special, no matter how awkward or uncomfortable they feel. My Mom tells me that its OK to be exactly who I am and that I shouldnt try to be something I am not. Other kids spend time with their friends playing basketball - I spend time on my computer reading Road Forums and looking at stock market trends.

Im not popular and I struggle with my weight even though I keep track of everything I eat. Its hard for me because I feel fat - and I hate feeling fat. I wish people could see how awkward I really feel. My mother tells me I am brilliant and amazing and that as soon as I get a little taller, my baby fat will go away. I hope shes right. As a brilliant child who is absolutely obsessed with roads and bridges and transportation, this book is a must read for anyone who has a child or knows of someone who feels like they dont fit in. In Alexs words: I think I am going to start a club for all those kids in the world who feel different and for all those kids who feel like they dont belong. I think it would be a

very popular club. I hope this book has helped you feel better about yourself. I wanted to share my story to help other kids who feel like they don't fit in. I wrote this book because I wanted to help kids who feel like me. No one should ever feel like they aren't good enough or special enough. No one should ever feel like they don't have a friend. If you feel like you don't have any friends - that's OK - because I will be your friend. After all - I take pride in who I am - and so should you. You can also get a FREE copy of the audio book - recorded by Alex himself - when you purchase the eBook.

The problem with that ultimate fantasy is that it's just that - Hannah's life cannot be. It highlighted the impact that teenagers can have on each other. suicide, a portrayal which is not safe for viewers and does not fit within best practices (the beginning), 13 Reasons Why doesn't tell the much more common story of people. Like my mother, I never really stopped working, says Alex, who has a one-year-old son Jack and another on the way. I held meetings at my with she laughs. I don't even know if I have good taste, she says. It's probably why she says her friends always find it so convenient to pop by. We couldn't wait. Mom, I Just Don't Fit In - The story of Alex: Why it's OK to be different is a book written from the heart. The book chronicles the story of Alex, a 12-year-old boy. Tags: Bloom Stories self-care.
