

Wedding Heat: Wife Watching

Simon likes to watch. Suki likes to fuck. Its a match made in heaven! At Maggie and Eds wedding reception, Suki dances with every man at the party. Her husband Simon isnt much of a dancer. He prefers to sit back and observe as she grinds against strangers hard bodies. When she gives him the signal, its time to rush to their room at the luxury resort hotel. Hiding behind the antique room divider, Simon waits for Suki to arrive with a man shed only just met. Nothing turns him on better than watching his wife go crazy with another guy especially knowing that, once the strangers gone, theyll have the hottest sex they know. But when the swaggering stranger strips bare, his body blows Simons mind. Even his fingers are huge! After taking a guy like that, will Suki ever be satisfied with Simon? **WARNINGS:** This title contains hardcore stranger sex, wife-watching, fishnets, fisting, voyeurism and exhibitionism. **Word Count:** 9,000 **EXCERPT:** Suki danced with every man at the reception and half the women, too. Simon had never been much of a dancer, not even when he was first dating Suki. Even back in college, Suki would get up on the dance floor and grind against a strangers thigh. Simon would sit back, watching. People thought he was a wallflower. He wasnt. Not really. He was a man who knew what he liked. And Simon liked to watch. At the moment, Suki hung off a man who was big, black, and built. His tailored vest and navy blue pants looked expensive, and his finely carved facial hair shouted out that he was a man who took great care in his appearance. Mr. Big didnt have a moustache. He had a soul patch, of sorts, and cool cascading lines echoing the bold curve of his jawline. His smile was contagious. Over the booming music, Simon couldnt hear what the dancing man whispered into Sukis ear but it made her giggle. Simon wondered how old Mr. Big thought she was. Suki had

looked like a Japanese teenager until she was about thirty-seven. Even now, she looked nowhere near her age. She cut her hair recently, and the style made her look a little older, but Mr. Big probably took her for twenty-five, tops. Touch him, Simon whispered into his wine glass. He was confident Suki could hear his thoughts across the reception tent, even if she couldn't hear his voice. Rub his cock. Come on, Suki. He's so hot for you. He's so hard
