

Weekend Knitting: 50 Unique Projects and Ideas

When Weekend Knitting was first published in hardcover in 2003, a modern generation of knitters was just starting to discover this hot new hobby. Since then, knitting has grown wildly popular and Melanie Falicks book has gone on to become a knitting classic and a huge bestseller. Weekend Knitting brings together unique, innovative, and still-fresh projects for beginning and more-experienced knitters, many of which can be completed in a weekend or less. Every project is presented with clear instructions and in beautiful photographs that celebrate idyllic weekend settings. Quotes from diverse sources about knitting, creativity, and balanced living along with favorite recipes, lists of books and movies with knitting scenes, and other extras complete the weekend knitting experience.
