

Wilds End: The Enemy Within #1 (Wilds End: The Enemy Within: 1)

Whats to Love: The first Wilds End miniseries kept us in constant suspense with its unlikely mash-up of War of the Worlds and The Wind in the Willows. Were holding our collective breaths once again as author Dan Abnett (Guardians of the Galaxy) and illustrator I.N.J. Culbard (The King in Yellow) are set to play with the paranoia and enemy amongst us conspiracy theories prevalent in stories we love like Invasion of the Body Snatchers and The X-Files. What It Is: As Clive, Susan, Fawkes, and the other survivors of the alien invasion of Lower Crowchurch try to cope with what just happened to their small town, the military arrives in an attempt to cover up the incident. Town residents are immediately detained, questioned, and treated with suspicion. Are they alien spies, collaborators, sympathizers? Clive and the rest will need to escape imprisonment if theyre to get the word out and warn the rest of the world in case the aliens return.
