

David Bellamys Winter Landscapes: in Watercolour

Watercolour landscape expert and renowned author, David Bellamy, has a particular liking for winter subjects, since the landscape at this time is not overwhelmed with green. Here he shares his expertise in capturing winter scenes, from how to wrap up and do rapid outdoor sketches to capturing mist, late autumn colours, bare tree trunks and various types of snow, through using rogue colours, making the most of low lighting and introducing early spring elements. There are four sections: late autumn, winter, deep mid-winter and early spring, and four beautiful step-by-step projects.
