

Zen Mind 2010 Wall Calendar: Zenga Paintings from the Gitter-Yelen Collection

The mind of Zen Buddhism is revealed through authentic sacred art and profoundly simple wisdom. Zenga art, Zen-inspired brushstroke paintings, surprises and confounds our expectations. Although created by seventeenth- and eighteenth-century monks who were amateur painters, they have a startlingly modern appeal. The Gitter-Yelen collection of Zenga paintings is widely regarded as one of the preeminent collections in the West. Each month, the Zen Mind 2010 wall calendar features a Zenga masterwork paired with quotes from *Not Always So* by Shunryu Suzuki (1905-1971). Suzuki-roshi was considered one of the most influential Zen teachers of his time and was a direct spiritual descendent of thirteenth-century Zen Master Dogen.
